Mosman Croquet Club Arrangements for Play during Club Play Sessions

Mosman presently plays three forms of croquet: Association and Golf, and Ricochet. There are designated 'CLUB PLAY' periods for these codes, when members can roll up and find other members to play with.

Association Croquet Sessions

Members should **arrive at least 10 minutes** before the start time. Games will be arranged by the Games Captain or another member by draw or agreement.

- Singles or doubles may be played
- Competition matches are permitted, provided they can be fitted in to the draw

Ricochet Sessions

Ricochet is played on Tuesdays 9:30am and Saturdays 11:30am.

Players should **arrive at least 10 minutes** before the start time. Games will be arranged by the Games Captain or another member, and may sometimes involve sharing lawns with AC games.

Golf Croquet Sessions

Most Golf Croquet Sessions are intended for social play. The normal form of play is doubles, and is a great opportunity for new members to meet other members and play in partnership with more experienced members. Members are asked not to pre-arrange matches during Golf Croquet Club Play. However, if social play clearly does not need all the lawns, singles and competition matches may be played.

NOTE: Wednesday morning GC play commences at 8:30AM, with a draw to allocate players.

For other sessions, members can roll up at any time to play. **If all lawns are fully occupied, players should stop once completing a game**, to allow those who are waiting to have a game. Players in existing games may invite new arrivals to join them, but this is not obligatory if their current game already has 4 persons playing.

Singles Golf Croquet Sessions – on Fridays at 8:30AM

These sessions were introduced in February 2019. They are structured games, with a view to improving competition play. Players **arrive at least 10 minutes** before the start time.

- Games will be arranged by draw of names of those present, five minutes before start time
- Singles games only
- Change opponents after each game.

Members are asked to respect these guidelines which are intended to allow all members to enjoy the forms of croquet they prefer. Please only go outside these guidelines if your actions will clearly not affect the enjoyment of other players. Common sense and goodwill will solve most problems.
